

# WHAT IS BOWLS

The objective of the sport of lawn bowls is to roll biased balls so that they stop close to a smaller ball called a "jack".

Bowls is a fun and enjoyable game for all ages and is great for a fun social day or night out with family or friends or played at a competitive level.

# TRY BOWLS

You can try bowls at any time.

Bookings for lessons can be made over the phone or in person at the bowls office which is open most days between 9:00am and 5:00pm.

# CHARITY EVENTS

Since 2006 Club Merrylands Bowling Group has hosted an annual Charity Bowls Day for the Starlight Children's foundation. With the help of support shown from corporate suppliers, industry partners and local businesses, the event has raised a grand total of \$221,000 for the non for profit charity.

# JUNIOR/SCHOOL BOWLS

Club Merrylands Bowling Group provides **FREE SESSIONS** to both local primary and secondary school children.

It is a great opportunity to learn how to play bowls as part of school sports. We provide a scholarship to kids with potential and help them improve their skills.

Club Merrylands Bowling Group is delighted that some of our scholarship bowlers have gone on to represent NSW at under 18, under 25 and open levels.

We will continue to facilitate a close partnership with the local schools and are looking forward to continuing that relationship for a long time.
