What are the benefits of the Infinity Card?

Once you have converted your bonus points to an available dollar balance on your Infinity Card, you can start spending!

Your Infinity Card allows you to spend your hard earned bonus points as a dollar balance outside the venue, wherever you choose that accepts eftpos (subject to merchant discretion).

Another great advantage of the Infinity Card is that you can continue to convert your bonus points to a dollar balance along with additional funds, all onto the same card giving you the freedom to spend anytime and anywhere it suits you.

Your Infinity Card carries a \$5,000 AUD limit. This means you can load funds onto it and spend the balance as often as you wish, as long as the balance doesn't exceed \$5,000 at any one time.

There are no credit checks required, the card is not linked to your personal bank account/s, and is valid for up to 5 years.
