## **"HE WHO ENTERS IS A STRANGER BUT ONCE"**

When we sit and reflect upon the early formative years of the Club, the humble beginning, the spirit of enterprise, the will to win through, the hope of achievement, our Club House today stands most certainly as a monument to the sterling efforts of the many stalwarts in the early days of our Club and a credit to each of them.

# CHAIRMAN

---

It is with great pleasure, that I acknowledge and congratulate the past and present members of Club Merrylands Bowling for reaching our 75th year. Reflecting upon our distinguished history and the 50th anniversary magazine, the chairman Ray Gillard highlighted the progress and growth of our Club back in 1998, and how its forefathers could not imagine in their "wildest dreams" what the Club would become. Additionally, I would like to acknowledge the amalgamation with Guildford Bowling Club, which has provided excellent facilities to our members, with Guildford possessing some of the finest bowling greens in NSW. The last 25 years has again eclipsed these dreams, as our Club possesses a reputation as one of the state's premier facilities for bowlers and social members.

As a member, bowler, director and chairman, it has been a privilege to hold these positions and whilst the industry has faced numerous challenges in recent years, I have enjoyed the challenge and the fact that our community has grown stronger together. I believe the hard work, dedication and implementation of a clear vision over the years by our directors, management, staff and members has empowered our Club to prosper.

As we continue to evolve, we have strengthened and reinvigorated many of our programs, including our junior lawn bowls development and forthcoming establishment of an academy. Developing our junior talent is a keystone of our essence and a passion for many of our members. These members have become role models for our junior bowlers, broadening their knowledge and expertise of the game, while possessing the foresight to perpetuate and bolster the sport through the younger generation. We continue to develop our pathways and partnerships, which is an essential component of our responsibility to promote and serve the community.

I am particularly proud of our involvement in countless community initiatives that we have undertaken through the ClubGRANTS scheme and other pursuits. Whether these reside within the domain of physical activities like dance, little athletics, soccer, rugby league, or through educational endeavours, such as our school programs at Merrylands High School and Hilltop Road Public School, we are privileged and honoured to provide support to our community. Our appreciation and gratitude goes to all of the representatives and volunteers of our local recipient organisations and sporting groups. These representatives are selfless and demonstrate their immeasurable generosity to support their community.

Many businesses focus upon specific outcomes, but as a community organisation, success is measured across a multi-faceted continuum. Financial prosperity is a cornerstone, however our identity has been forged over the past 75 years through sporting competition, community support, and the desire to provide enjoyable and memorable experiences. Our Club has never been in a stronger position. This is a testament to our past and present members, who continue to nurture and enrich our Club's legacy.

# CEO REPORT

---

Happy Birthday to the Club Merrylands Bowling Group, formerly known as Merrylands Bowling Club on the remarkable achievement of reaching our 75th Anniversary. It is my great honour to be a contributor to this milestone journal.

The purpose of this journal is to celebrate and acknowledge the foresight of our founding Members, past and current Chairmans, Directors, Committees, Management, Staff and Members who have played an integral role in the journey of success of such a great Bowling Club Group as it stands today.

On the 8th of April 1948, 75 years ago, a group of 20 like-minded businessmen, led by the Mayor of Holroyd, met and passed a resolution to form a bowling club. A little over one year later the Club House and first green were officially opened. The Club House has been upgraded and extensively developed over the years, from the original tin shed with a single bowling green to the now well-appointed property that stands today, housing state-of-the-art facilities creating a competitive precinct for the game for which our charter was founded. In 2015 we amalgamated with Guildford Bowling Club and now have another premises with excellent appointments and championship greens.

Since the Bowling Club's inception, we have celebrated many achievements on the greens, from the first Pennant Flag in 1952, to champion bowlers and elite representatives for District, Zone, and State as you can read in this journal. In my tenure, I have seen us win the State Bowls Club of the Year in 2015 and most recently the National Bowls Club of the Year in 2022.

In 1988 the constitution was amended paving the way for Junior Membership at Merrylands. Youth programs and bowls development has featured prominently over the years with many home grown champions making their start at Merrylands and going on to represent NSW and achieve National titles.

The Club has always been a progressive organisation that has facilitated many changes over this time and has faced its fair share of challenges, including battling government legislation on gaming and smoking, the global financial crisis and, more recently, the worldwide pandemic.

But despite every challenge set before us, we have stood strong and continued to build a fantastic inclusive amenity that welcomes every demographic of our community and has created many memorable events through our history, with fun times and many achievements.

Not many entities have lasted this long, and it is a testament to the people who contributed to the goal of the founding members proposal to build a Bowling Club on an old brick-pit. As we drink from the well of our current successes, we should be ever mindful of those who dug the well.

I would like to take this opportunity to pay tribute to the late Ray Gillard who served our Club as Chairman for 26 years. During this time his passion and commitment to the Club and its members was evident, leading the Board to facilitate for the progression of our organisation and establishing a strong foundation for his successors. Ray joined the Board at a time when the club was floundering and it was through his tenacity and determination that the Club was able to reset and thrive again both on and off the greens

Today, both Clubs, Club Merrylands Bowling and Guildford Bowling are in high growth areas, with increasing economic potential, housing availability, improving local infrastructure and job opportunities. The growth of our amenity is paramount to servicing the needs of our thriving local community. The Club is in a great financial position as we continue to put plans in place to build a stronger future and to continue to propagate the sport of lawn bowls

With over 22,000 members, the purpose is to maintain a community hub for current-members and the growing members of the local area while continuing to be relevant and inclusive. Our aim is to continue to provide bowling, dining, event and function spaces, sports, and leisure experiences that cater to as many members of our community as possible.

We encourage you, your family, and friends to join with us on our journey to become the community hub of Cumberland. I truly believe our members are our greatest assets, and through your membership and support we have achieved longevity and success. The Board and Management appreciate the praise that many members have sent commending our Club on this special anniversary.

I would like to thank our Members and the Board for the support and confidence provided to me in my 22 years of service as Company Secretary and the support given to the Senior Management team, managers, and staff during this time.

Here is to our past, present, and future members, I look forward to further contributing to the journey of this great organisation.

Neil Watts ACCM  
Chief Executive Officer

## CONGRATULATIONS CLUB MERRYLANDS - 75TH ANNIVERSARY

To the members of Club Merrylands Bowling,

On behalf of Bowls NSW, we extend our congratulations to your club on reaching your 75th anniversary, an incredible milestone. From humble beginnings in 1948, Club Merrylands Bowling has grown to become one of the most prominent bowling clubs in the country, producing multiple state, national and international representatives and winning a plethora of state championship titles and pennant finals.

Throughout this time, Club Merrylands Bowling has been a constant and reliable supporter of Bowls NSW as well as the former Royal New South Wales Bowling Association and Women's Bowls NSW. From hosting state events and functions to funding grassroots participation programs, the club has been committed to promoting the sport at all levels to both the local and broader communities. Your unwavering support for lawn bowls within New South Wales has been invaluable to our association, and for this we express our sincerest thanks and gratitude.

Congratulations Club Merrylands Bowling on all that you have achieved in 75 years. Bowls NSW wishes you further success in the future, and we look forward to continuing our partnership with you in fostering and promoting the sport of lawn bowls.

Kind regards,

A handwritten signature in black ink, appearing to read "Dilys Kindleysides".

## LANSDOWNE DISTRICT WOMENS' BOWLING ASSOCIATION

Dear Neil,

On behalf of President Helen and the Executive of Lansdowne District WBA, I would like to congratulate your club on your 75th Anniversary; it is a milestone in your history.

Our District has had a long association with the club over the past years and seen it grow from a small building it once was to the magnificent establishment it now is and the Directors, past and present, must be very proud of the achievements that they have accomplished. The club is a very friendly club and a pleasure to visit.

We wish you a happy Anniversary with many more to come.

Again hearty congratulations

Yours faithfully,

A handwritten signature in black ink, appearing to read "Wendy Gribble".

Wendy Gribble  
District Secretary

## CONGRATULATIONS!

Zone 10 'Sydney North West Bowling Association' would like to heartily congratulate Club Merrylands Bowling on their 75th birthday.

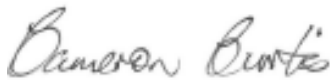

It is a remarkable accomplishment for a club to have provided the support and encouragement for bowls for 75 years that Club Merrylands Bowling have.

The long term vision of the directors past and present have ensured this longevity and have prepared the club to prosper for many years to come.

Your support for Zone 10 through sponsoring events and a willingness to fill the gap when needed is well received.

The Zone 10 Executive looks forward to the continuing prosperity of Club Merrylands Bowling and continued success both on the greens and otherwise for the years ahead.

Best wishes

Cameron Curtis  
Zone 10 Coordinator

---

Dear Club Merrylands,

It gives me great pleasure on behalf of Cumberland Councillors, Staff and Citizens of Cumberland, to convey our congratulations to Club Merrylands Bowling on reaching 75 years of service to our community.

From 1948, when the Club was founded, to now, you have grown from strength to strength.

Your Club House has developed from a small building to the great club it is today. A place that provides the community with fantastic facilities for all to enjoy, whether it be to play Lawn Bowls or to gather with friends and family to dine, celebrate special occasions and make new friends.

Throughout the years you have built tremendous partnerships with our community, local businesses and Council through ClubGRANTS, sponsorships and community events.

It must give you a great deal of satisfaction to look back over the past 75 years and be immensely proud of the growth of Club Merrylands Bowling and the direction it has taken.

We have been privileged to have you as such an active Club in our community and your contribution is always appreciated. Cumberland Council looks forward to continuing our strong relationship into the next 75 years.

Happy 75th Anniversary Club Merrylands Bowling.

Yours sincerely

Clr Lisa Lake  
Mayor

# THE BEGINNING – EST 1948

---

The Club was founded on the 8th April 1948 and the following are excerpts of notes taken from that first meeting.

Aldermen William Campbell and William Simpson met one day in March, 1948 and discussed the feasibility of building a bowling club in Merrylands. Both considered it a brilliant idea, so a public meeting was called for Thursday, 8th April, 1948 to be held in the old council chambers.

Twenty people attended, namely:

Ald Bill Campbell, Mayor of Holroyd who occupied the chair, Ald Cliff Creen, Mayor of Fairfield and the President of Fairfield Bowling Club, Ald E. C Styles, Jim Brown – Headmaster of Merrylands public school, Stan Crane, Ray Giblin – Smallgoods Proprietor, Bill Simpson, Andy Colquhoun, Ernie Maunder – Real Estate Agent, Doug McLaren – Solicitor, Ernie Ward, Allan Merton – Chemist, Sel Vincent – Salesman, Sid Mills – Foreman Coach Builder, Len Young – Hardware Merchant, Cliff Stimson, Phil Arnett – Town Clerk of Holroyd, Bill Bright – Proprietor of “Biz ” newspaper and two ladies, Mrs E McColough and Mrs F Bowden who attended to lend support to the proposal.

The meeting, though small, was in accord that a club should be formed and all those present who had agreed to Join, be the Committee of the Merrylands Bowling Club.

Before the meeting closed, it was decided that a meeting take place the following Sunday for the purpose of looking for a suitable site for the Club. There was an option on Merrylands Park where the council had made provision for a two green bowling area.

It was the committee opinion that such an area restricted the possible growth. Stan Crane suggested an area that was a disused clay pit, excavated to a depth of 7 feet (2.1 metres), full of stagnant water, reeds and rubbish which was owned by Messrs Newman and Underwood Tile Co Ltd. The Hon Solicitor and President called upon the Manager Arthur Talbot, of bowling fame, who agreed to put our request to the owners.

They agreed and sold the parcel of land (hole and all) for the princely sum of £175. The lot on the corner of Cambridge and Newman Streets was purchased from a Mrs Rowley for £112. It is of interest to note that the Council rates for the first year were £2.13.

A contract was let for putting down a green (No. 1), fencing and water services for £1,200. When it was time to grass the green, several members went to Warwick Farm Racecourse and collected 35 corn sacks of couch grass and put it

through a chaff cutter and it was then laid by the contractor Mr Dowse. Before the green was ready, a second contract was let for a second green for £1,000.

The next problem was how to get Club rooms, as at this time there were strict building controls and all materials were directed to housing. However, in Bruce Street Merrylands, BW Simpson had closed his poultry farm and submitted the chook sheds to auction. These were obtained at low cost and, by voluntary labour, were transported and erected near the present site of the auditorium. All did not go smoothly however, as a visit from an Inspector of Building placed a stop building order and other plans had to be made. This problem has reoccurred in following extensions but, as then, they have been surmounted.

Finally, it came to pass that on the 30th of April, 1949 the official opening of the Club House and Number 1 Green took place in the presence of a large crowd of dignitaries, members, their wives, friends and visiting clubs who sat down to a sumptuous repast in a marquee which accommodated 200 people.

When we consider that all this took place just one year and 22 days after the first public meeting, we must laud the efforts of those early pioneers – a staggering effort indeed.

The occasion was noted in the local Biz Newspaper so: “Hundreds of people wending their way from all parts of Merrylands on Saturday last denoted that something out of the ordinary was to take place. Their rendezvous was the newly constructed green and rooms of Merrylands Bowling Club which was to be officially opened that afternoon.”

The clubs that attended on the day were Parramatta, Wentworthville, Auburn, The Hills, Lidcombe, Lidcombe Hospital, Bankstown, Liverpool, Campbelltown, Austinmer, Guildford and Fairfield.

A month later the first Annual Meeting was held.

The Treasurer was able to announce a nett profit of £390. Monies for the club had been raised in the first place by debentures – £3,000 in all from members. The book assets were listed as £3,850. It must be noted that the club did not qualify for a liquor license at that stage and possessed only three poker machines. Spirit refreshments were obtained by Sel Vincent through his business connections while beer was organised by Len (Nobby) Clark and his associations with the Commercial Hotel in Parramatta.

Those of us who knew some of these early members have been fortunate to have met such worthy gentlemen.

# 1940's

---

The formation of a Bowling Club was passed at the Public Meeting held on Thursday 8 April 1948. The importance and aim of a Bowling Club being formed was to provide three things to the town, recreation, beautification of a park and an organisation which would be of great assistance to local charities. The Bowling Club was set to place the town on the map for all members of the community who shared the enjoyment of the age-old game of bowls, but also offer a place where people can meet to relax and enjoy the company of their friends – this is exactly what was achieved and has been maintained over the past 75 years.

Saturday 30th April 1949 – official opening of the No. 1 Green and Club House took place in the presence of a large gathering of interested friends, and numerous members from other clubs, a large marquee, tables and chairs were hired to accommodate approximately 200 persons.

Formed only about a year prior the members had worked so enthusiastically and to such good effect that also a miracle was performed in being able to open the Green for play in that short period.

# 1950's

---

1952 was the year that our first Pennant Flag was won, namely the No 5 Metropolitan Pennant – a fine achievement for such a young club.

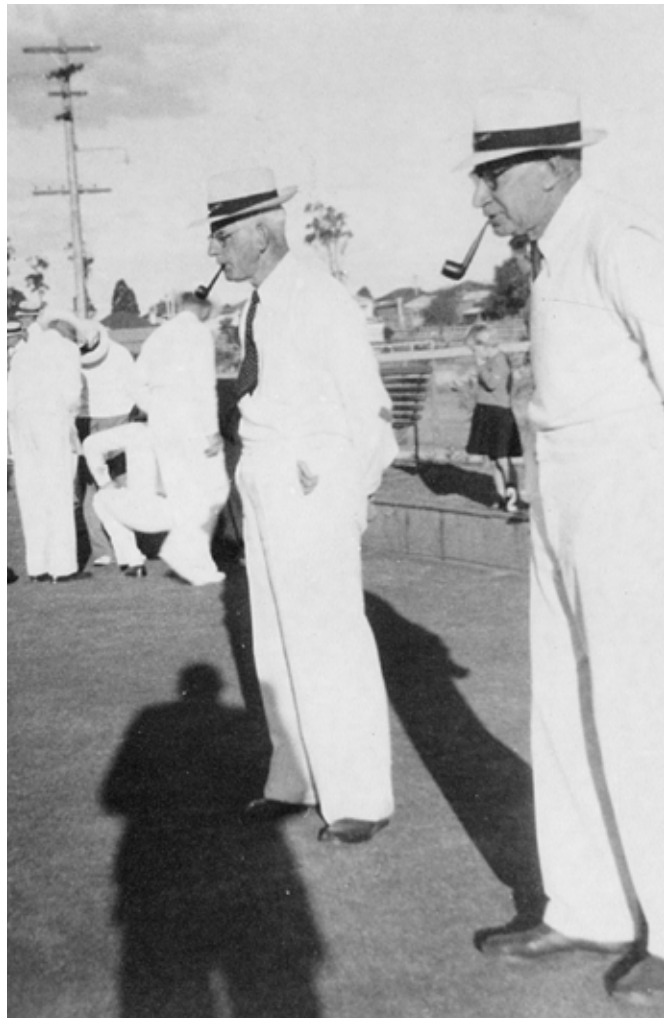

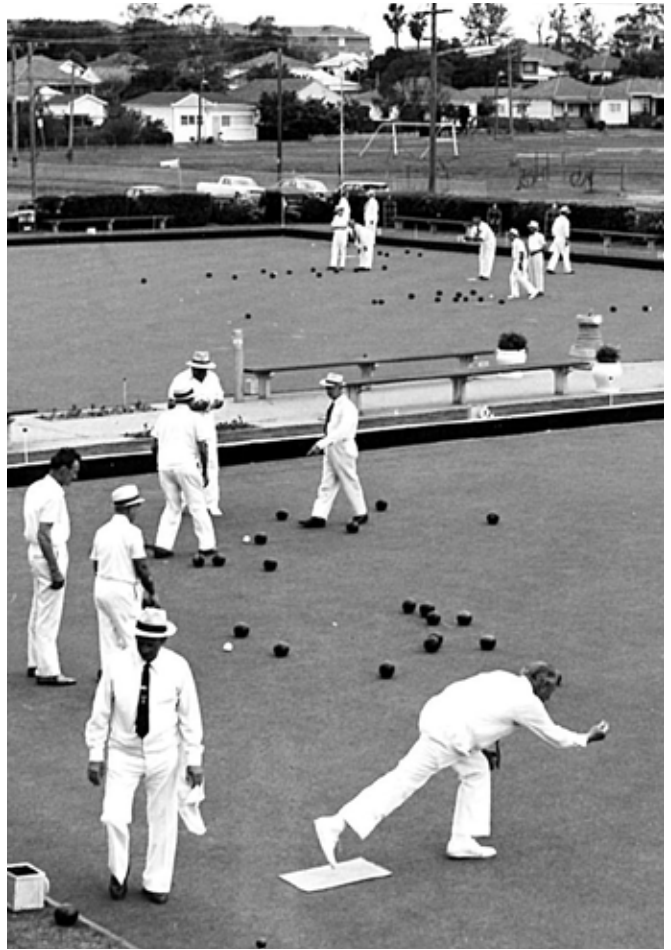

In 1953 the Women's Bowling Club was formed and, on the 8 September 1953, their first official game was played.

With the continued growth of the Club the original Club House became inadequate and during the Presidency of George Whitworth, 1955-56, a contract was let for a two-storey brick building which formed part of the present building.

On the 27 April 1957, the official opening of the new Club House was carried out by Tom Shakespeare the then President of the Royal NSWBA. The Club's President was Bill Campbell, the founding President.

In 1957 – 59 Sid Try became President and the old Club House which was referred to as "chook house" was relocated to the 3rd Merrylands Scout Group on Kenyons Road which was in operation to the end of 2022, and still stands today.

1958 saw the first State Flag by the No. 2 State Pennant. This made the Club eligible to play in No. 1 Pennants, a level that has been continuous to this day.

# 1953 - WOMEN'S BOWLING CLUB

It is truly an honour to be the Ladies' President of Merrylands Women's Club in this, the Club's 75th year. I am somewhat of a newcomer to bowls having been introduced to the sport four years ago as part of Cumberland Council's Seniors week, and have not looked back. I am now in my second year as President and have quickly understood that our Club is the hub for all our bowlers. Great friendships are formed and everyone is so welcoming.

Merrylands Bowling Club was founded on 8th April 1948 but it was not until 5 years later that the Women's Bowling Club was founded after a meeting was held in one of the ladies homes on 18th May 1953. From the minutes of that meeting, 18 ladies were made foundation members of the Women's Bowling Club (WBC). On 8th September 1953 the first meeting and official game was held. Two years later the Women's Club was making their presence felt by winning 3 Major Shield/Pennants.

Since that time the standard of our bowlers has always been high and our current players continue to be high achievers. The Ladies' Office Bearers and bowling achievements over the last 70 years are too many to be listed here but can be seen on our website in the Honour Boards section.

The major achievement for any club is to win a pennant flag and have a member represent their country. Merrylands have done this on a number of occasions.

The WBC in 2023 currently has 60 members in total with not all playing. We currently have four life members:

## **Irene Mares - 2002**

Past Ladies' President & Deputy Chairman of the Board and now Club Ltd Patron since 2021

## **Marie Heard - 2006**

Past Ladies' President and Ladies Club Patron 2010 – 2023

## **Maureen Randell - 2017**

Ladies' Secretary since 2006 and Director since 2022

## **Elaine Penman - 2023**

Past Ladies President, Vice President, member of the social committee and selector

Robyn Smith was a Director from 2015 to 2022 and we have also had two members (Willow Fong and Dorothy Roche) inducted into Women's Bowls NSW Hall of Fame.

The Women's Bowling Club are fortunate to have Willow Fong still playing with us. Willow has achieved the rare distinction of representing Australia and Fiji and in 1985 was named Fiji Sports Woman of the Year. Among her many achievements she also played for NSW and represented Australia in the Asia Pacific Games and World Bowls in 1996. In the 1998 Commonwealth Games, Willow won gold in the Womens Pairs with with Karen Murphy AM. Willow attends all our social games and is a great inspiration to all our members. She also entertains us with many colourful stories from those old days!

We were lucky enough to have Val Smith begin her Merrylands career as a Marquee player, flying over from New Zealand with one of her best friends Jo Edwards. In 2020 an opportunity to become the Ladies Bowls Coordinator was available and Val took on the role in a heartbeat moving herself and her partner Charlie across the Tasman. During her time at Merrylands, Val won Commonwealth Games medals and many other international events. In 2017, Val was runner up in the NSW Champion of Champion Singles. Val also worked on training the lady bowlers and would go out of her way to help them. In 2021, as COVID hit, Val and Charlie decided to move back to New Zealand to be closer to family and friends.

WBC have social bowls every Thursday morning from 9am followed by lunch. On the first Thursday of each month men are invited to play with the ladies. This is a great opportunity to socialise and new members are always welcome. Training is available for new and current members and the opportunity to represent your club in pennants is there for everyone. Our most recent achievement in February 2023 has been two Merrylands ladies, Jenny Clark and Dafna Orbach, playing in the Inaugural District Seniors Singles final which was won by Jenny Clark.

Una Bell

Ladies President

Foundation members, 1953: A Paul, K. Shaw, V. Andrews, G. Harrison, L. Kerr, C. Vincent, L. Bedford, L. Rollan

**1954/55 Metropolitan 'D' Pennant**

The winners of our first Pennant Flag: M Mason, I Johnston, B Askwith, D Bennett, M Deveson, I Voss, G Whitworth and F Costain.

**1954/55 Eunnice Cameron Shield**

The team of G Whitworth, V Andrews, K Shaw, L Rollan.

Val Smith Trans Tasman 2013

Willow Fong inducted into the Hall of Fame

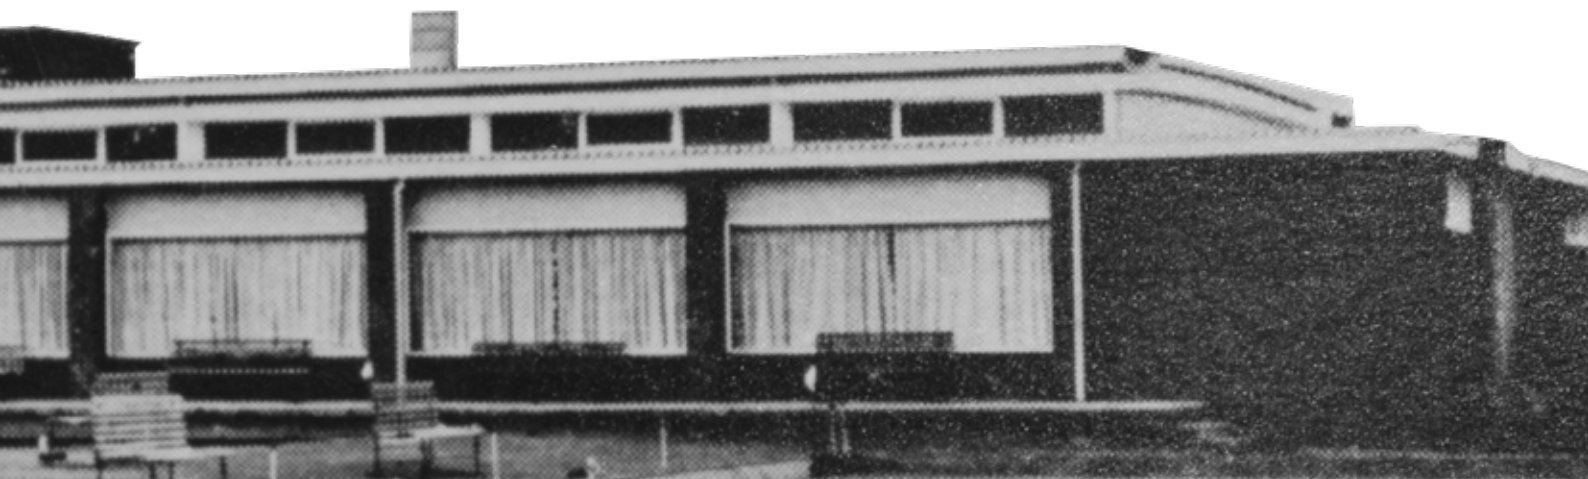

# 1960's

---

The year 1962 saw the letting of a further contract, this time for the Auditorium, a new kitchen and bar. This new addition to the Club was opened on 18 May 1963 and the Auditorium was the host to many events, meetings, social gatherings as well as many bowling members showing their talents as entertainers with a Debutantes Ball with role reversals and Club Marching Girls providing much entertainment for all.

Our Club and its achievements on and off the green reflected great respect and high regard within the bowling fraternity. The Royal NSWBA and all other clubs gave enormous credit to those who had so capably been responsible for the progress over such a comparatively short period of time.

1970's

---

On the 12 March 1972, the third green and extensions were open. A third green, in conjunction with the two smaller greens gave sufficient playing area to cope with any situation. The enlarged Club House enabled our Club to service those who used the greens and to extend further hospitality to the community.

1973 marked the 25th Anniversary of the Club – leading up to this Anniversary, the achievements both on and off the green reflected great credit to those members responsible for the progress made over such a comparatively short period of time.

The Club had established great fellowship, achieved many sporting achievements, and earned great respect and high standing within the bowling fraternity.

A celebration was held dedicated to those men who were present for each phase of the Club development. During the 25 years much had been accomplished by the numerous members who had participated in many working bees and laborious work, but it was the membership spirit that aided this progression.

# 1980's

---

The implementation in the late 70s of further extensions including additions of a new dining room, kitchen, bar, cool rooms, storerooms, and delivery dock caused quite an upheaval during the work with struts, braces and other building materials scattered throughout the premises. On completion in 1980 members were surprised with the results of the new amenity.

During 1980 -1982 the first professional coach Ken Metham was appointed and in 1984 the Men's Bowling Club won the No. 6 Pennant.

In 1985, Phil Bushby replaced Ken as Coach and he instigated the first International Mixed Pairs, that is well recognised in the world of Bowls today.

In 1987 the Articles of the Club were changed giving all bowling members equal status in the control and administration of the Club.

In 1987 building commenced including our indoor bowling stadium which was estimated at 1.4 million.

We can only wonder if those dedicated foundation members would have realised that their foresight would have created such a sustainable asset in the community from the purchase of land for only £287.

1988, our Club has made remarkable achievements with the addition of the number one Restaurant operated by Food Choice plus the indoor bowling stadium and over \$1 million profit.

These developments did not come without a lot of planning and thought from the Board. A special mention should be made to Carl Metcalfe who led the design and development committee working extremely hard to achieve the objectives.

1989 with Bryan Bryant as Men's President and Mavis McNab as Lady President, we achieved the distinction of winning No. 4 Pennant Flag, No. 7 Metropolitan Flag and featured in a No. 1 Pennant Final.

## BOWLERS ARE IN TOP CLASS

It was a proud moment for the members of Merrylands Bowling Club on Saturday, August 11, when the No. 6 Metropolitan Pennant Flag was unfurled.

The Merrylands bowlers are to be congratulated on their success in the competition.

Congratulations are extended also to the members of Toongahia and Wentworthville Bowling Clubs who, I understand, have been successful in the No. 1 and No. 5 Pennants respectively.

I know that competition at this level is particularly keen and the success of the locals emphasizes the high standard of bowls being played throughout the area.

**FROM THE MAYOR**  
Ald. Harry Maley  
Mayor of Holroyd

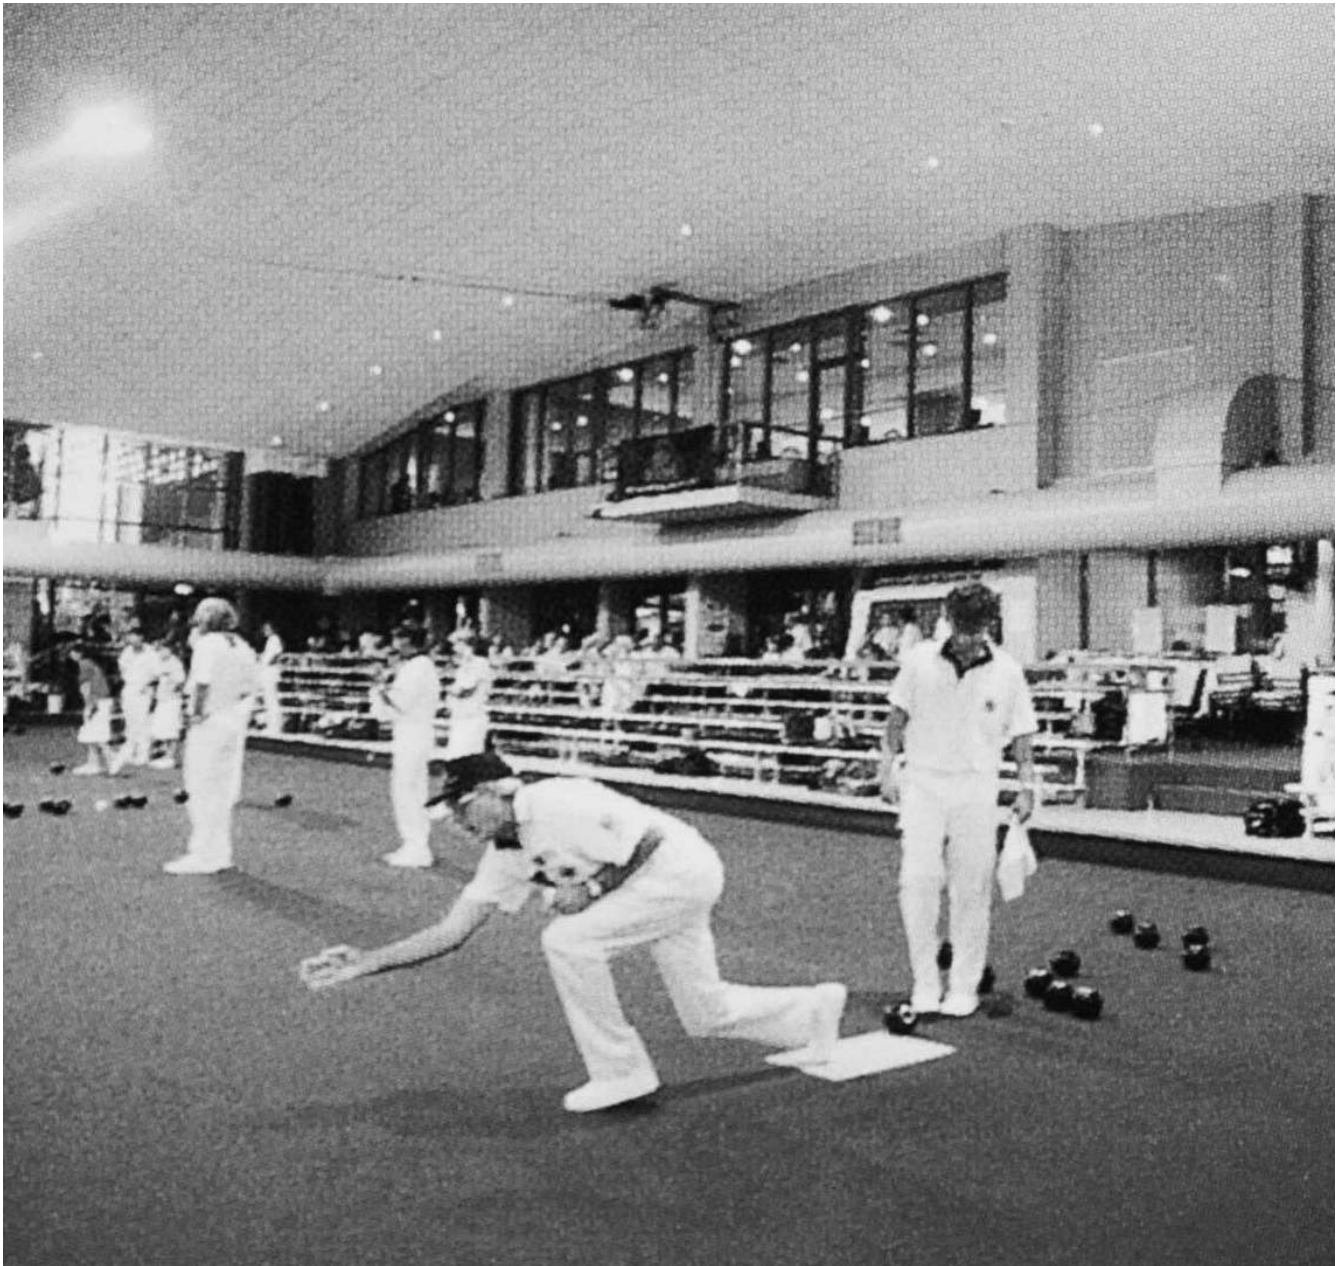

**Join in the festival**

Whilst the 1984 Holroyd Family Festival Program is rapidly developing, any group or organization wishing to participate is still able to do so.

# 1990's

---

This decade commenced with more heartache for the men's No. 1 Pennant side going down in the State final for the second year in a row to Grandviews and the No. 2 also falling at the final hurdle going down in the final. However, success wasn't far away with the ladies winning the No. 1 State Pennant in 1991.

1990's saw the completed refurbishment of the poker machine and lounge area with the plan to upgrade the bar. A new extension which was not only our indoor stadium, where the internationally famous Jack High tournament was held attracting bowlers from all around the world. Our ever-popular Food Choice Family Restaurant was opened as part the first stage in 1994 and is still going strong today.

More success wasn't far away, many achievements were obtained on the green with the ladies winning State No 2. Pennants in 1993 and the men's No. 7 State Pennant in 1993 and again in 1996. Unfortunately, 1996 did have a heartbreaking loss for our No. 1s going down by one shot in the State Final.

Club Merrylands Bowling had very fine bowlers representing the Club at the highest-level winning State Fours, Ray Gillard, Ian Hansell, Peter Stockham and Mark Parella.

# 2000's

---

In 2002 refurbishment areas included the indoor Bowling stadium being converted into the gaming lounge with and dining offering - Café by the Green with a total cost of \$5.5 million dollars for the benefit and enjoyment of our members and guests.

The Ladies tasted success in 2007 conquering all by winning the No. 1 State Pennant. 2009 saw the construction of our first outdoor gaming.

This landmark addition to our facilities received the go-ahead by the two key approval authorities Holroyd Council, known today as Cumberland Council, and the NSW Liquor Administration Board. This striking open air feature on the side facing Oxford Street, contained gaming machines

that had been housed in the inside gaming lounge, freeing up considerable interior space enabling the expansion of thoroughfares.

The foyer received a makeover giving visitors first impressions that count, making a more spacious area for traffic flow, easier to sign in and allowing members to enter the club with ease.

The makeover for Food Choice Family Restaurant and the construction was completed and the plan for the three-level car park for 150 vehicles unfolded with the aim that these enhancements would take our Club to another level of sophistication and enhance our assets for the good of the members well into the 21st century.

# 2010's

---

**Gillard wins ... but no, not that Gillard**

**A**ll that was missing was a name change to the 'Gillard' brand. The name 'Gillard' is a well-known name in the community and it is a shame that it is being used for a brand that is not the same as the one that we know and love. The name 'Gillard' is a well-known name in the community and it is a shame that it is being used for a brand that is not the same as the one that we know and love.

**PRETTY TIED OFF**  
The name 'Gillard' is a well-known name in the community and it is a shame that it is being used for a brand that is not the same as the one that we know and love.

**LAWS V THE LAW**  
The name 'Gillard' is a well-known name in the community and it is a shame that it is being used for a brand that is not the same as the one that we know and love.

**WHAT'S ON TODAY**  
The name 'Gillard' is a well-known name in the community and it is a shame that it is being used for a brand that is not the same as the one that we know and love.

This was another decade that commenced with early success on the green with the Men winning the No. 7 State Pennants in 2010 and the NSW Premier League in 2011.

Renovations were underway transforming the existing gaming lounge with modern décor, new carpet, lighting, furniture, upgrading the foyer, main bar area and bathrooms being completed in 2013 seen success on the green with our men winning the Champions League.

Bowls Club of the Year 2015

The Board led by Chairman Ray Gillard worked hard on the master plan with the DA being lodged with Council in 2015 for the expansion of the carpark to 420 spaces and the plan for a multipurpose auditorium/bowlers lounge and function rooms.

2015 also saw the amalgamation with Guildford Bowling Club which was an exciting venture and a great asset to Club Merrylands Bowling. Also in 2015, Club Merrylands Bowling won Bowls Club of the Year.

In 2017 the finalisation of the masterplan was completed and awaiting DA approval with the plan including a grand entrance and foyer off the recently extended multi deck car park, ground floor multipurpose lounge linked to the alfresco pavilion between bowling greens, family friendly dining precinct including a children's play area and 1st floor function centre catering for increased capacity.

2019 the first stage of our new amenity opened and created a WOW factor that was second to none. The new Club House was appreciated by all and became a point of interest within the community gaining momentum in terms of increased visitation to the main club.

# 2020's

---

The year 2020 will remain in our memory banks for quite a long time. To say that our world has been subject to adversity this year is an understatement. So many people's lives were affected by events that have been out of our control. Drought, bushfires, and the COVID-19 global pandemic affected everyone and forced us into lock down which also required our Club's to shut their doors on 23 March 2020 and then again on the 14 August 2021.

We were permitted to welcome back our members of our community to our Clubs, to some form of normality. The easing of restrictions and the changing of regulations were a weekly proposition to manage, ensuring our Club remained a safe haven for members to enjoy. Our Club went over and above to ensure the safety of members visiting our venues.

Our Club has been a story of success and growth since 1948. The future, just like our past, is dependent on our Club having the foresight and direction led by a great team of people and support from members. Our Club is in a good position financially to develop and continue to reinvest in the establishment providing the best amenity for all to enjoy.

# BOWLS TODAY

---

It is with great pride that for the 75th Anniversary of Club Merrylands Bowling I hold the position of Bowls Co-ordinator. When I moved to NSW for this position from Victoria back in March 2017, I was aware of the powerhouse status of the Club and of the presence of some of the best players across Australia, which attracted me to the club. Since moving and taking up my position I have learned so much more about the rich and famed history of Club Merrylands Bowling along with the warmth and generosity of the current members and also what it does for the community in general.

During my time here the Club has undergone a major redevelopment, and the bowling members now have first class facilities to use and show off to visiting bowlers. Our members continue to move with the times, including how we engage with our members via the website, facebook, and even the use of apps on their smart phones. This is major development as previously communication was generally only posted on the noticeboard. Teams and rinks for social bowls are displayed on the big screen by the bowls office so that members know what rink they are on and who they are playing with. When not being used for bowls activities this screen is split into four different screens with one screen dedicated to playing bowls matches.

Our bowlers have created a strong bond amongst each other and that bond, along with the hard work from our members resulted in our Club being awarded the Bowls Australia "Club of the Year" in 2022. Truly a great achievement for all involved. Highlights from this year include National Pairs winners and National Fours Silver medallist, State Open Pairs and Open Fours titles, State Junior Singles winner, Zone 10 Club of the year, winning five out of the six Zone 10 Open Championships, District and Regional titles, and qualifying for the State Pennant Finals in Open Grades 1, 2 and 4, Men's Divisions 1 and 2, and Women's Division 3.

Zone 10 No 4 Pennant Winners

Zone 10 Michael Phillips

Our Club is always looking at ways to stay relevant and move forward, and as a result we are currently revamping our strategic plan for the future of bowls at Club Merrylands Bowling. We also look forward to bringing back our junior academy to the glory days of the early 2000's where our club had several high-quality junior bowlers who have progressed to reaching the highest level of bowls. We are also looking at setting up a high-quality "barefoot bowls" program so that we can raise awareness of the sport of bowls and increase our participation and membership numbers. These are all critical components to the Club thriving in the future.

During my time at Club Merrylands Bowling, I have been ably assisted by several volunteers who willingly give up their time to help at the Club whenever and wherever required. The committees of both the Women's and Men's Club continue to work together for the benefit of all members so that on every visit each member has a rewarding and enjoyable experience. I feel our Club is in a great position both on the greens and in the Club House as it celebrates its 75th year of operation and I'm proud to play a part in its current operations.

Tony Wood

Bowls Coordinator

Australian Championships Silver Medallist

Australian Championships Mens Pairs

# BOWLS DEVELOPMENT

---

I would like to acknowledge the great achievement of Club Merrylands Bowling in reaching 75 years of operation. To not only make it to this milestone, but to see the position the Club finds itself in having achieved exponential growth, financial stability, and success on the greens at all levels, is truly remarkable. It is my pleasure to have been associated with the Club through my volunteer school sports roles for nearly two decades, and I am now looking forward to many years of being employed at the Club, with a major focus being the development of junior bowling.

One of the best things about being involved with a like Club Merrylands Bowling is that they always have a focus on the future and working towards making the Club strong both on and off the greens. A major part of this is the development of junior players. Club Merrylands Bowling has a long and successful history in developing and supporting young bowlers and now, as we are in our 75th year, I am proud to play a part in this.

The Club has always had strong representation and been successful in junior bowls over the years, but further developed this when they began mass recruiting school aged players in 2003. Under the watchful eye of head coach, and former Commonwealth Games representative, Bryce Stewart, over 300 students were put through their paces over 3 days. From this group, 14 went on to then represent Club Merrylands Bowling. In the following years, at least 8 locally developed juniors went on to win Club Championships at Merrylands and/or play Grade 1 Pennants.

In 2004, Club Merrylands Bowling began financially assisting the bowls programs of the Sydney West School Sport Association. This assistance continues to this day, allowing all eligible students to represent at all school bowls levels despite the heavy costs involved in these pathways. Nearly 100 students and their families have been supported by this arrangement to date which underpins the support the Club has provided.

South African International, legend of bowls, and all-round good guy Neil Burkett began as Club Coach at Merrylands in 2010. During his time as Club Coach Neil brought a lot of success to the Club and was a great mentor for the junior bowlers. In 2011, Neil and young gun Zeljko Trbara played off in the NSW Open singles final with the master Neil getting one over the youngster. In 2012 Neil led the Club to success in the Champions League, the highest competition at the time in NSW. In 2015 Neil won the State Fours and was runner up in the State Pairs. This was the year Neil was also bestowed NSW Bowler of the Year. Neil continued working at the Club and bringing along the newer bowlers and many of the top players at the Club now have all worked with Neil at some stage.

International Mixed Pairs players and mascots

Jack McShane

Looking to the future, there are several initiatives in the works, including developing teaching programs for bowls for implementation within local schools, and the unveiling of a youth academy. This will coincide with yet another major recruitment drive for new and established junior bowlers. The academy will cater for youth bowlers of all abilities - from newcomers to State representatives.

The future for young bowlers at Club Merrylands Bowling looks bright and we look forward to welcoming the next generation of bowlers to our great club. I'm sure the next 25 years will be even more successful with the hard work and dedication that everyone involved with Club Merrylands Bowling exhibits on a daily basis.

Gavin Holburn

Bowls Development Coordinator

Laurie Mehl and Wally Pike

School Sport programs

# CLUB PATRON

---

As Club Patron it is with great excitement that my beloved Club is celebrating 75 years of operation. It is such an achievement when you look back at the humble beginnings all those years ago to what the Club has become today. The Club industry has had many challenges over years, especially bowling Clubs, and to be a stand-alone entity that has not only survived but thrived in the challenging times it is a testament to the men and women who have contributed to this success. I have nothing but wonderful and positive memories of my 46 years of being involved with Club Merrylands Bowling.

When I joined the Club, I was "not the best bowler" by my own admission but Merrylands being the Club that it is the social aspect drew me to a long "career" of service to the Club. Within one week of joining, I found myself on the social committee which lead to the many roles I have played a part in. I look back fondly at many of these including the Club concerts the ladies would put together where our members would take on one of the allocated themes of the day including Sister Act, Gone with the Wind, and even ABBA. Nothing was safe including the Olympics where we mocked up a "League of Nations" with our ladies representing various countries all putting forward their "bid" for the Olympics. I found myself somewhat "directing" these events and they are one of my fondest memories of our Club in the 80's and 90's.

Over the years I wore many hats within the Club including selector, Club Director, Vice President and now Club Patron. I also had the privilege of being Club President when the Club celebrated its 50th Anniversary and now here we are some 25 years later reaching yet another milestone for our great Club.

I also had the honour of being bestowed Life Membership in 2002 which is an honour as only a select group of people are lucky enough to receive this accolade.

I have enjoyed many vigorous "discussions" with my male counterparts over the years and not in a negative way but I have made it one of my goals to allow a women's perspective to be heard when the occasion called for it. We have always been supportive of each other within our various bowling groups but as someone who likes a chat, I was always part of the conversation so to speak.

I have always found that the success and strength of the Club has come from the attitude of its members who have thrived both competitively on the bowling green and socially in the Club House.

Success is easily judged in competition as you can award trophies for the winners, but judging success otherwise is harder to pinpoint. In my 46 years I have seen our people embrace challenges, embrace change, and also embrace the many cultures we are surrounded by and are part of our Club and community. We have grown from a friendly little Club to a large and thriving operation, but I still believe we hold the same values from those formative years. I am also proud of the support that we show our local community through the ClubGRANTS program and the many wonderful charities and social support groups we are involved with. It shows we are much more than just a bowling Club.

My Heartfelt congratulations to all involved in helping Club Merrylands Bowling achieve 75 years of operation. What a great milestone and the future is nothing but bright for our Club.

Irene Mares  
Club Patron

# TRIBUTE TO RAY GILLARD

---

Ray Gillard was a man of integrity who was committed to the progression of Club Merrylands Bowling and its charter to foster the game of lawn bowls and support the local community. His leadership and character simply cannot be replaced.

Ray had a long and decorated tenure joining the Board of Directors in 1995, and subsequently elected as Chairman in 1996, where he held the position, up until his sudden passing, for 26 years. He genuinely loved everything that represented our Club including the members, staff, the local community, and lawn bowls. He was Chairman of the Board during many challenging times in the Club industry, and more recently the Covid-19 pandemic. Through these difficult times, Ray and the Board showed the necessary strong leadership that has ensured our Club's long term future.

Ray was an integral part of the growth of Club Merrylands Bowling for its members and the community from 5,000 members to 24,000. He contributed to the improvements of the Club House amenity to cater for the needs of our growing local community. Ray pursued the successful amalgamation with the Guildford Bowling Club in 2015 – keeping its doors open and ensuring this important amenity remained for the local community of Guildford. He genuinely cared about the local community overseeing millions of dollars of community grant donations throughout his tenure. Ray was an active member of the Club's Charity Committee which in 1997 raised funds for the Children's Hospital Westmead and supported ongoing partnerships with local schools and community organisations along the way.

Adding to these important roles was also the involvement and participation in the sport of lawn bowls as a player, committee member and Zone selector. His role in the promotion of junior bowls saw many new players taking up the sport and his commitment in retaining 'the magic' of the sport was second to none.

Ray lived by the motto: Its not what the club can give you, but what you can give to the club. He was always willing to put his time and energy into what was important to him – family, friendships, bowls, and Club Merrylands Bowling.

He was a good communicator, his presence, jokes, wit and intellect ensured an enjoyable conversation. He always found a common interest with all, whether it be industry related news, showing pictures of his beloved wife Cheryl with his children, grandchildren and great grandchildren, sharing a long joke, football banter or offering a hot tip on the races.

He leaves a great legacy for others to follow and will be sorely missed. Ray was respected by all who had the pleasure of knowing him.

# COMMUNITY

---

## Giving back to our community to make a positive difference.

Club Merrylands Bowling has a long and proud history of supporting the local community since its inception in 1948, providing support either financially or in-kind offerings for the benefit of many wonderful community organisations located within our catchment. Belonging to a community group is a great way to get involved in your local area that not only helps people but is also an opportunity to meet new people, learn new skills, and become connected to many projects and causes. These groups provide a sense of belonging, support, and friendship, while giving members a chance to make a tangible contribution to the community.

The ClubGRANTS scheme (formerly known as CDSE) is a government legislated program implemented in 1998 that committed clubs to contribute a percentage of gaming revenue to charities and community groups. Whilst this forms the basis of community support, Club Merrylands Bowling has always gone over and above in their support of many worthwhile organisations. These grants and club donations in general bridge the gap between community needs and what local and state government can afford to allocate each year. Whilst all requests can't be accommodated, Club Merrylands Bowling has contributed and supported organisations in community health, welfare, sport, social services, community development, and employment assistance in our common desire to build a stronger sense of community.

## Clubs for Cumberland

Clubs for Cumberland is a joint initiative formed in 2017 and convened by Cumberland Council which assists in the allocation of ClubGRANTS funding. This joint initiative with the local Clubs in Cumberland, has made a real difference in our local community from water safety projects to support services for domestic and family violence, to schools educational programs that foster physical activity and community interaction.

# STARLIGHT CHILDREN'S FOUNDATION

Club Merrylands Bowling has been a wonderful supporter of the Starlight Children's Foundation since 2006. 2023 marked the 16th Annual Starlight Charity Bowls Day held in May and raised a record \$20,000 for the Starlight Children's Foundation, bringing the grand total over the years to \$305,000. Starlight's mission is to bring happiness to sick kids, because happiness matters. That's why for over 30 years Starlight has worked in partnership with health professionals to replace the cycle of pain, fear and stress of serious illness with fun, joy and laughter that helps sick kids be kids.

"Club Merrylands Bowling, their board of directors, management, staff and suppliers have been amazing in putting on the Charity Bowls Day every year since 2006 except during Covid. It is one of the dates in the calendar that Starlight as a charity look forward to every year and Club Merrylands approach with so much enthusiasm and care. Starlight is deeply thankful for the support of Club Merrylands Bowling – long may it continue!"

Riëtte Filmer  
Partnerships Coordinator

# FOSTERING EDUCATION

---

Over the years Club Merrylands Bowling has supported various local associations with the aim to foster education, health and wellbeing of younger community members.

Funding has been allocated to education programs in local schools including transition to school programs at Widemere Public School and Hilltop Road Public School. We have provided assistance with P&Cs initiatives to provide students with pedagogy aids, equipment, and extra-curricular activities.

Club Merrylands Bowling have also been a great supporter of Holroyd School for several years, supporting the great work that the school provides to assist students with learning, social skills, fine and gross motor skills and assistance with family support.

Club Merrylands Bowling believe in serving the needs of the community via both monetary and in-kind support, which is achieved through the ClubGRANTS scheme.

### Hilltop Road Public School and Club Merrylands Bowling Partnership

The partnership between Club Merrylands Bowling and Hilltop Road was first established in early 2000, when Club Merrylands Bowling first supported the **Transition to School Program** at Hilltop Road, through the ClubGRANTS program. Little did we know then the impact this partnership would have on the school and the wider community.

The program evolved into the **“Ready Set Go 4 Kindy”** transition to school program, which is now in its 17th year. With over 1000 families attending the 20 week program to prepare young children for school life, the program assists both students and parents in building a strong foundation to school life, and identifies any challenges or needs they may have.

Ready Set Go 4 Kindy provides a positive experience for families and an understanding of what school is like in Australia. Families develop a good understanding of what and how we teach in Australia, and any fears parents may have are addressed including non-English speaking parents who learn how best to support their children in this critical phase of their young lives.

The full impact of our partnership with Club Merrylands Bowling is hard to quantify on paper, but with each individual that participates in a workshop or program supported by the Club, there is a flow on affect that will steer them on a path that can enable new friendships, open doors to new opportunities, teach, learn, share engage, create and develop a sense of belonging in the Hilltop Road community.

Club Merrylands Bowling support doesn't end there with multiple initiatives supported by the Club. These include the donation of a Courtesy Bus, and funding for a “Kitchen Garden Program” for over 200 students. 2016 also saw the partnership grow stronger with students participating in bowling at the Club and the ladies bowling team sharing their expertise and knowledge with the students by teaching them to knit and crochet.

The partnership is also a reciprocal one where the school has provided support to members of the Club through the technology program computer courses and also the Connecting Community Project which focused on engaging local seniors and elders and provide weekly opportunities to come together cook, share skills, learn something new and socialise with our school students, staff, and community.

Club Merrylands Bowling will continue to do everything it can to give back to our community through its various support programs. It remains a priority of our club to assist those worthy local organisations who support better health, education, quality of life and the general well-being of those people who live in our community.

# COMMUNITY SPORT AND RECREATION

---

## The importance of junior sport and what we do to help....

Community sport plays an important role in fostering a sense of belonging, promoting healthy and active lifestyles, and developing social connections. Providing financial assistance and in-kind donations to local sporting and community groups in Cumberland has been high on our Club's agenda for many years. Club Merrylands Bowling has assisted these groups in being able to provide lower registration fees, purchase quality equipment and offer a space where these groups can come together and celebrate their achievements and form stronger connections.

Support has been given to many groups in the Cumberland Community over the years including: Guildford County Soccer Club, Guildford Girl Guides, Merrylands Rugby Union Club, Wenty Waratahs Netball Club, Prospect Zone Sport, Greystanes Physie and Dance, Holroyd Hotshots Netball, Bowls NSW, Merrylands Rams JRLFC, Holroyd Little Athletics, Wenty Waratahs Softball Club, 1st/2nd Merrylands Scouts, Greystanes Devils JRLFC, Merrylands Maulers, Wentworthville Uniting Church Soccer Club, Merrylands Soccer Football Club, Merrylands Amateur Swimming Club, Cumberland Netball Club and Waratahs Netball.

## Merrylands Soccer Football Club

Club Merrylands Bowling Group have been a proud sponsor of Merrylands Soccer Football Club for over 20 years. During this time the football club numbers has grown due to the dedication and commitment of the club to support and develop the skills of young players.

---

## Greystanes Physie and Dance

Physie and dance aims to build confidence, good posture, strength, fitness, and flexibility through exercise, while developing coordination, rhythm, teamwork and friendships for children from 3+ years of age. Ongoing funding provided by Club Merrylands Bowling has given Greystanes Physie and Dance a variety of opportunities and support along with the wonderful use of many of the Club's facilities.

### Merrylands Junior Rugby League Football Club

Merrylands JRLFC make a point of keeping the cost of registration low and try not pressure parents for fundraising help. The funding received from Club Merrylands Bowling goes to paying the bills, utilities, referee fees, new equipment and presentation costs for this small club with a big heart. Without the financial support we would not be able to do this. This sponsorship and support is so important to retain players keeping the costs low for parents in the community.

### Holroyd Little Athletics

From Club Merrylands Bowling partnership with Holroyd Little Athletics Association has enabled the club to replace worn equipment as well as purchase additional items using the funds for the annual financial support provided. "A large part of our success is initiated from the generous monies received enabling us to provide the best equipment and facilities for the children. The centre is continuously growing with great results whilst attracting athletes from other clubs purely due to the high level of coaching provided and great results for all to see".

### Fitness 2 Wellbeing

Club Merrylands Bowling provides opportunities for members to join in fitness and wellness programs at the Club as well as online. Engaging the services of qualified instructors, working together in keeping the community strong, fit and healthy. Currently we have over 30 regular participants in the weekly programs.

Club Merrylands Bowling also provides funding to organisations that assist community groups with likeminded interests build relationships, share information and ideas, promote collaboration, and create a sense of health, belonging and inclusion. Funding has been provided for several years to groups such as Probus Club of Holroyd, Fitness 2 Wellbeing, Bowls NSW, Rotary Club of Holroyd, Holroyd Musical and Dramatic Society.

# SUB CLUBS

---

Throughout the years Club Merrylands Bowling has provided opportunities for Members to participate in various sporting and community activities. These being Social Bowls, Carpet Bowls, Deep Sea Fishing, Euchre, Golf, Rotary and Probus and latest addition was the Darts and Cricket Club.

Providing facilities and funding for these sub clubs has allowed members to get together and spend their leisure time, making new friends with likeminded interests.

The Board would like to thank and acknowledge the committee members for their dedication over the years. If it wasn't for their hard work, help, administration and love of the community these clubs would not be possible.

---

## Deep Sea Fishing

Club Merrylands Deep Sea Fishing Club has been in operation for over 20 years.

I have been an active member during this time were the members past and present come together, make friends, and have enjoyed weekend fishing trips away over the years as well as our monthly deep sea fishing trips out of Sydney Harbour.

We have had many highlights and achievements over the years and enjoyed our fishing trips. I would like to take this opportunity to thank Club Merrylands Bowling for supporting us.

Bevan Williams,  
President

### Euchre Club

The Euchre Club has gained a lot of new members over the years even though it was challenging times after the lockdown. Everyone was waiting for us to be back playing each Friday night. With InterClub Competitions and Social 6 handed games being held once a month, members of our club have had the chance to connect with other communities in friendly competitions building their skillset.

Vera Critchley,  
President

### Golf Club

The social Golf Club would like to say thank you to Club Merrylands Bowling for their continued support.

The Golf Club have played at many prestigious courses throughout NSW over the years and played very competitively against other clubs. With increasing interest in the game of golf membership numbers have risen and the level of skill has too.

Alan Vidler,  
President

### Probus Club

The Probus Club of Holroyd Inc. would like to congratulate Club Merrylands Bowling on its 75th Anniversary.

Our Probus Club has been most fortunate to have been associated with Club Merrylands Bowling during the last 37 of those 75 years.

We owe much of our own Club's success, to the encouragement and support which we have always received from Club Merrylands Bowling over each of those 37 years.

Thanks to you, we have had a beautiful meeting room every month, a wonderful venue for our major celebrations and all the accessories required for the successful running of our various activities.

Without a doubt all the staff members we've dealt with over all those many years, have been extraordinarily courteous, friendly and helpful, for which we thank you most sincerely.

We look forward to the continuing cordial relationship between our two Clubs for many years to come.

With our thanks for all help received, our congratulations on your past achievements and our best wishes for your continued success long into the future.

### Rotary Club of Holroyd

The members of the Rotary Club of Holroyd would like to congratulate Club Merrylands Bowling on its 75th Anniversary.

We have always found the Board supportive of our requests, especially in being able to use the rooms for our fortnightly meetings and special event nights such as Police Officer of the Year awards and our yearly Changeover in the leadership team. Tania, Natalie and Tara have helped us organise these nights, so all runs smoothly. Our members enjoy eating at the different venues and showing off its facilities to visitors.

Congratulations Club Merrylands Bowling and may you continue to provide enjoyment and support for another 75 years.

2020				C. GILLARD - D. SCHOEMAKER - S. FARRELL - N. RUSSELL (MERRYLANDS)

*Our Club's History has generally been written with little mention of the demise of members. It has been written in the spirit of Living History as we feel though members have departed, they are still with us.*

*Their memories, their foresight and commitment to community will not be forgotten.*
